ABOUT COMPANY

XPBOLD Company Limited is a company specialized in:

1. CIP & CIL CONSTRUCTION & INSTALLATION

XPBOLD co. Ltd has a team of experts with vast experience and knowledge in building CIP and CIL plants. We have built large and medium-scale CIP & CIL plants in Tanzania specifically in Lake zone regions.

We build mechanically Agitated plants with an efficiency of 85% to 98% with a production per day capacity of 40TPD, 70TPD, 120TPD, 300TPD, and 500TPD

Air Agitated CIP plants with an efficiency of 80% to 90% and production per day of 20TPD, 40TPD, and 70TPD.

OTHER SPECIALITIES

XPBOLD Company Limited is a company specialized in:

2. Drilling services (Blasthole, Diamond drilling, RC)
3. Material and chemical supply used in Drilling&Mineral Processing
4. Supply of Personal Protective Equipments
5. Machine Rental such as Excavators, Wheel loaders, and Graders among others

We also deal with rental of mining equipment and other engineering equipments such as Excavators, Docers, Rollers, and Graders Loaders among others.

XPBOLD COMPANY LIMITED

VISION & MISSION

Vision

Our vision at XPBOLD Company Limited is to be a leading provider of mining services and material supply, known for our innovation, reliability, and commitment to sustainability. We aspire to revolutionize the industry by leveraging cutting-edge technologies and methodologies that enhance productivity and minimize environmental impact. Through strategic partnerships and a customer-centric approach, we aim to exceed client expectations and become their trusted long-term partner. Our vision includes fostering a culture of continuous improvement, attracting top talent, and embracing diversity. We strive to create a positive impact on the mining sector, driving progress and contributing to the sustainable development of communities and the environment.

Mission

XPBOLD Company Limited specializes in mining services, material supply, and equipment rental. Our mission is to provide superior solutions with a focus on safety, efficiency, and sustainability. We excel in drilling, blasting, and supplying drilling materials and chemicals. Our diverse fleet of mining equipment is available for rental, including excavators, dozers, rollers, and loaders. Safety is paramount, and we implement rigorous protocols to ensure a secure working environment. We are committed to minimizing our ecological impact and promoting sustainability. Through expertise, advanced equipment, and strong partnerships, we aim to be the preferred choice for mining companies, delivering reliable, cost-effective solutions that optimize operations.

MANAGING DIRECTOR MESSAGE

Fidelis Peter Fidelis

As CEO of XPBOLD, I want to express my gratitude for your unwavering support as we provide essential supply items and equipment to the mining industry.

At XPBOLD, we understand the critical role miners play in driving economic growth. Our mission is to be a trusted partner, delivering high-quality supplies that optimize operations and prioritize safety.

Efficiency is our priority, and our dedicated team ensures timely delivery of essential items. We continuously enhance our product portfolio, offering innovative solutions that improve productivity and reduce downtime.

Collaboration is key to our success. We work closely with our customers, understanding their unique needs to provide tailored solutions. Our knowledgeable professionals are always available to offer expert advice and support.

Environmental responsibility is paramount to us. We promote sustainable practices and offer eco-friendly alternatives to minimize ecological impact.

I want to thank our dedicated employees for their hard work and our customers and stakeholders for their trust. Together, we will continue to serve with integrity, reliability, and a relentless pursuit of customer satisfaction.

XPBOLD COMPANY LIMITED

MATERIAL & CHEMICAL SUPPLY

At XPBOLD Co.Ltd, we supply various materials and chemicals that are used to facilitate Drilling, Blasting, Mining and Mineral processing.

a) Drilling Materials

We are mainly focused on the supply of diamond drilling and Reverse circulation drilling Materials from various European and Asian manufacturers.

We have direct content with the manufacturer and hence deliver feedback directly to the manufacturer concerning challenges, improvements, and acknowledgment from customers.

below are some of the chemicals and Materials we supply. Many other materials are listed on our website and catalog

Diamond Drill Bits

Diamond Drill Bits

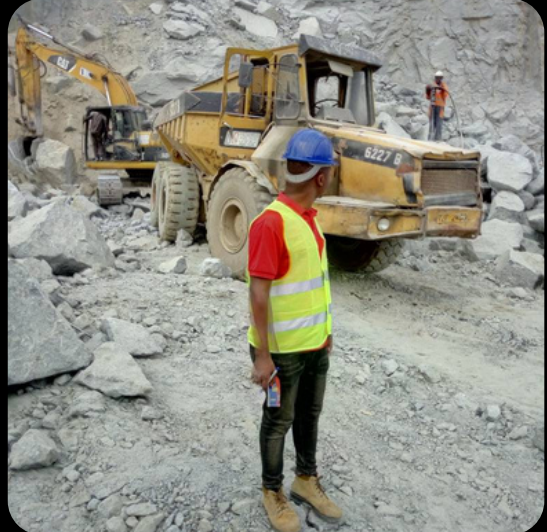

Diamond Drill Rods

XPBOLD QUARRY

We have a quarry located at Kasamwa, Igombe Ilemela Mwanza where we use Modern Engineering methods to produce rock aggregates of different size according to our clients requirements

DRILLING & BLASTING

We are contractors who perform drilling activities of different types at various engineering projects or per clients' requirements.

- We offer the following drilling services

DIAMOND DRILLING

REVERSE CIRCULATION

BLASTHOLE DRILLING
